

## **1. ANESTHESIOLOGIST -GENERAL ANAESTHESIA**

### **Job Summary:**

To provide safe and effective anesthetic services during surgical, diagnostic, and therapeutic procedures, with a focus on general anesthesia. The role includes patient assessment, administration of anesthesia, intraoperative monitoring, and post-operative care, in accordance with national and hospital standards.

### **Job Description:**

#### ***1. Pre-operative Duties***

- Conduct pre-anesthetic evaluations including history taking, physical examination, and risk assessment.
- Counsel patients on anesthesia options, procedures, and risks.
- Develop individualized anesthetic plans based on patient condition and surgical requirements.

#### ***2. Intra-operative Duties***

- Administer general anesthesia and monitor patients during surgical procedures.
- Ensure maintenance of vital signs and patient safety throughout the procedure.
- Manage airway, fluid therapy, and emergency responses during surgery.
- Supervise or coordinate with anesthesia technicians and nurses during procedures.

#### ***3. Post-operative Duties***

- Monitor patients in the recovery room and manage post-anesthesia complications (e.g., pain, nausea).
- Provide pain management and sedation plans post-surgery as required.
- Ensure smooth handover to surgical and nursing teams post-procedure.

#### ***4. Clinical Governance and Quality Assurance***

- Maintain detailed and accurate anesthetic records.
- Participate in morbidity and mortality meetings and clinical audits.
- Adhere to infection prevention and control protocols.

#### ***5. Teaching and Mentorship (if applicable)***

- Provide clinical teaching to medical officers, interns, or nurse anesthetists.
- Contribute to CME sessions within the hospital.

### **Education/Qualification**

- **Bachelor of Medicine & Surgery (MBChB)** from a recognized institution.
- **Master's Degree in Anaesthesiology (M.Med)** from a recognized university.
- **Registration** with the Kenya Medical Practitioners and Dentists Council (KMPDC).
- **Valid practicing license** from KMPDC.
- Basic Life Support (BLS) and Advanced Cardiac Life Support (ACLS) certification preferred.

### **How to apply:**

Interested candidates who meet the above criteria should send their applications to [recruit@tenwekhosp.org](mailto:recruit@tenwekhosp.org) on or before **8<sup>th</sup> August,2025** enclosing:

- Resume, Cover Letter & \*Statement of Faith\*

**\*What is a statement of faith?**

A statement of faith should describe your Christian faith and how you see it as relevant to your involvement with Tenwek Hospital. The statement can either be incorporated into the cover letter or submitted as a separate document and should include, at a minimum, a description of your spiritual disciplines (prayer, study, etc.) and your current fellowship or place of worship.
