

## **1. CARDIAC CRITICAL CARE INTENSIVIST (ADULT)**

### **Job Purpose**

The Cardiac Critical Care Intensivist (Adult) is responsible for delivering specialized critical care services to adult patients undergoing or recovering from cardiothoracic procedures. This role ensures high-quality, patient-centered care aligned with CTC's policies and clinical standards. The Intensivist will co-manage pre-operative and post-operative cardiothoracic patients, promote multidisciplinary collaboration, and uphold best practices in critical care.

### **Key Responsibilities**

1. Conduct clinical assessments and consultations for patients presenting with critical cardiothoracic conditions.
2. Recommend and oversee diagnostic tests, treatments, or surgeries based on clinical evaluations and patient needs.
3. Provide expert care during acute perioperative stages and assist in pre-operative optimization for critically ill patients.
4. Lead or guide cardiopulmonary resuscitation efforts when necessary.
5. Maintain thorough patient records, including consultations, investigations, and treatment plans, directly or in collaboration with junior medical staff.
6. Interpret cardiovascular and other diagnostic test results to guide treatment decisions.
7. Support patients transitioning from critical care to intermediate or long-term care.
8. Provide training, mentorship, and supervision to junior clinical staff; actively participate in or lead BLS/ACLS training sessions.
9. Ensure strict confidentiality and safeguard hospital and patient information.
10. Support and promote cardiothoracic research initiatives, including identifying topics, developing protocols, and conducting studies.
11. Carry out any other duties as may be assigned by the Director of Cardiothoracic Surgical Services or designee.
12. Foster effective team collaboration and maintain strong interpersonal relationships within the unit.
13. Adhere to legal, ethical, and regulatory standards governing clinical practice.

### **Job Specifications**

#### **Academic Qualifications**

- Master of Medicine (MMed) or equivalent from a recognized institution.
- Bachelor of Medicine and Bachelor of Surgery (MBChB) or equivalent qualification.

#### **Professional Qualifications**

- Specialist recognition as an Intensivist by the Kenya Medical Practitioners and Dentists Council (KMPDC).
- Certification/Fellowship in Critical Care Medicine from a recognized institution.

#### **Licensing & Membership**

- Registration with the KMPDC.
- Valid practicing license.
- Professional indemnity cover.

#### **Experience**

- Minimum of 7 years in medical practice, including at least 3 years of progressive experience in cardiology and/or cardiothoracic critical care (adult focus preferred).

**How to apply:**

Interested candidates who meet the above criteria should send their applications to [recruit@tenwekhosp.org](mailto:recruit@tenwekhosp.org) on or before **8<sup>th</sup> August, 2025** enclosing:

- Resume, Cover Letter & \*Statement of Faith\*

**\*What is a statement of faith?**

A statement of faith should describe your Christian faith and how you see it as relevant to your involvement with Tenwek Hospital. The statement can either be incorporated into the cover letter or submitted as a separate document and should include, at a minimum, a description of your spiritual disciplines (prayer, study, etc.) and your current fellowship or place of worship.
